

A Harvest of Blessings

Angels' Place is grateful for the many blessings received this past summer in support of our homes and services for persons with developmental disabilities.

For each of you who believe in our mission and support the men, women and children we serve, we give thanks. It could not be done without you.

IN LOVING MEMORY

Mary Anne "Tink"
Henneghan

July 29, 1939 –
September 1, 2010

May the road rise up to meet you.

May the wind be always at your back.

May the sun shine warm upon your face.

The rains fall soft upon your fields,

And until we meet again,

May God hold you in the palm of His hand.

Traditional Irish Prayer

The summer blessings started with Sunshine and Golf

Participants in the 18th annual Angels' Place Golf Outing enjoyed another great day of golf at Pine Lake Country Club. Chaired by **Duke Scrafano, Pete Treboldi** and **Frank Jonna**, the outing raised over \$110,000 for Angels' Place programs and services. "The golf outing is one of our signature fundraising events and we are so grateful to all of our sponsors and golfers. This has been a difficult year for everyone and we feel blessed to have such support from veteran golfers as well as so many new friends that joined us that day," says Duke Scrafano.

The event was made possible by our very generous tournament sponsors, Midwest Associates, Inc., Francis & Francis, Joliat Ventures, LLC and Stevenson & Bullock, PLC.

Morning and afternoon tennis matches, chaired by **Bob Sparks** and **Dale Prentice**, were also available. Morning matches were won by **Jim Hailie** and **Steve Nichols**. **Ray "Iron Man" Cook** played more matches than anyone.

We are grateful to **Tony** and **Sarah Earley** for sponsoring the tennis event.

We will miss our dear friend and golf committee member Tink Henneghan. Tink co-chaired the reservations committee and greeted golfers upon arrival as well as arranging table seating. We extend our sympathy to Bill Henneghan and his family.

As we rally our efforts as an organization around our core values of Integrity, Excellence, Faith and Service we cannot help but take notice of the history, the people and the experiences that have molded and influenced us to hold these foundational pillars as our inspiration. Angels' Place began with a mustard seed of conviction and faith that compelled 5 moms to do the unthinkable and begin Angels' Place over 18 years ago.

These 5 moms will be the first to tell you that they did not do this alone, and have many friendships, family members and in some instances strangers (now friends) to thank for making Angels' Place a reality. It is their humbleness and gratitude that acts as a reminder to us, each and every day, that each of you who have spoken a kind word, covered us in prayer, volunteered your time and talents, donated to our mission, and provide service to our residents is an overwhelming gift to Angels' Place. These 5 moms would tell you that it is nothing short of a "miracle" and the providence of God that has brought us together as a community with the common mission of providing a safe and happy home for the vulnerable people with developmental disabilities who have been placed into our care.

With our 18th home, the R.C. Mahon Home just opening it has been a privilege to work with the Mahon Foundation under the direction of the Mallard family to establish this legacy in their grandparents' name. It has been pure delight to see how excited the men are to be calling this house "home." The home was renovated with the components of accessibility and lifelong care which is a critical element to the Angels' Place promise of care for life. This magnitude and scope of Service is our mission, this mission we strive to perform with Integrity and with Excellence. Through the grace of God and with Faith as our cornerstone, we are grateful for the opportunity to grow in community with you and to grow in community with the individuals whom Angels' Place was created to serve.

Mahon Home Dedication

The R.C. Mahon Dedication took place last month. This home and its renovations were made possible by a generous grant from the R.C. Foundation. Karl Mallard, grandson of R.C. Mahon, expressed his gratitude to all who attended and gave special tribute in loving memory of Dick Letscher, who introduced Angels' Place to him and his family.

Eagle Scout hosts Men's Breakfast for Angels' Place

Eagle Scout candidate **Drake Turner**, from Troop 1029 in Birmingham, responded to a "wish list" from the men that live in the Angels' Place homes and coordinated a "men's breakfast" for his Eagle Scout Project. The morning included live music, a full course breakfast and as a special treat, a martial arts demonstration. K' Waun, black belt and owner of Conquest Martial Arts and Wellness in Shelby Township provided the demonstration assisted by **Kent Turner**, an adult volunteer and black belt candidate. Residents got to put some of the skills to practice. Angels' Place is grateful to Blake and his troop for the special treatment.

On September 22, the Judge James Ryan Camp Scholarship Fund was established with a gift of \$10,000 from former staff and law clerks of Judge Ryan. The gift was announced at the portrait unveiling of retired Judge Ryan at the Sixth District Court.

RESIDENTS AT CAMP

27 of our residents participated in an annual trip to Camp Michi-Lu-Ca in Fairview, MI [20 miles northeast of Mio]. It provides an opportunity of Christian fellowship, fun and community in a camp setting that the people we serve might not otherwise partipate in. The week also creates an awareness of persons with developmental disabilities as many of the college age counselors that assist us have never encountered people with disabilities at such a level. According to the camp manager Dan, we have become "the week the counselors look forward to."

Residents enjoy the social interaction, and being in the outdoors enjoying nature while relaxing and learning about God. It's about all the individuals coming together enjoying each others company and meeting new

people, and experiencing a new atmosphere out of the daily routine in a new setting. It's a time of reflection of God's gift of creation, a time of solitude and being themselves.

Residents have an opportunity to swim, fish, hike, enjoy arts and crafts, and archery. For the last two years we split up daily for what we call "The Arts" where the campers split up for drama and art, dancing, and music. You can see their creative work below. The residents plan and participate the closing chapel service which is held at the outdoor chapel under the stars.

Employee Recognition

Angels' Place is proud of and grateful for our employees' dedication to our mission and the manner by which they each fulfill their role in carrying it out on a daily basis. One way we publically acknowledge and thank our employees for their time and commitment is at our Annual Employee Appreciation Event. To tie the recognition with our mission, the event is held every year on or near September 25th – the anniversary of Angels' Place's inception. On September 10, 2010 employee recognition awards and longevity pins were presented at our Employee Appreciation Brunch held at Andiamo Italia in Warren. For the past eight years, employees were recognized at this event for exemplary performance in four specific categories. The four award categories are:

EXTRAORDINARY CONTRIBUTION AWARD: This annual award is presented to the employee who best connects the residents to their community. This year's winner is: **Julie Flores** from the R.C. Mahon Home – our newest location.

H.E.A.R.T. AWARD: "For your commitment to the advancement of the H.E.A.R.T. Principles"

- Hear and understand me
- Even if you disagree, please don't make me wrong
- Acknowledge the greatness within me
- Remember my kind intentions
- Tell me the truth with compassion

This year's winner is: **Annetta Sloan** from the Dinan Home.

EXCEPTIONAL ADVOCACY AWARD: Presented to the employee believed to be a "champion" in the struggle for equality, dignity, status and inclusion of the residents. The 2010 winner of this award is: **Dessie Morgan** from our Holy Family Home.

THE T.E.A.M. AWARD: "For your commitment to the advancement of teamwork principles." **Amy Eldred**, from the Dinan Home was presented with this award this year.

Excellence in service begins with "top drawer" leadership and caring, competent and committed staff. The winners of these awards of distinction are nominated by their peers and nominations are open to all employees regardless of position, classification or status. One consideration in the selection of the award recipient is the story or tangible action included with the nomination that sets the nominee apart from others; the specific reason this person is nominated.

The names of the 2010 award winners, and those who have won in past years, can be seen on the permanent plaque displayed in the conference room at our administrative office.

In addition to the awards of distinction, employees are also recognized at their first, fifth, seventh and ten year anniversaries with Angels' Place and are presented with gold logo pins imbedded with a colored stone to indicate the number of years of employment with Angels' Place. We are proud to say we have eighteen active Angels' Place employees with over ten years of service, and twenty-six employees with between five and ten years of service!

The Need Is Always There...

Your donation to Angels' Place or participation in our events provide:

- Safe, clean, loving homes for persons with developmental disabilities.
- Resident participation in a wide variety of activities that build self-confidence and improve quality of life.
- Training for staff that ensures the best possible environment in which our residents can grow. Our attrition rate is 11%; the industry standard is more than 60%.
- Faith based programming that encourages Christian ministry, spiritual development, and worship locations selected by the residents.

You can help Angels' Place in a variety of ways:

Memorials/Honorariums

Honor a friend, family member or special occasion with a donation to Angels' Place. We send a card to the recipient acknowledging your gift.

Honor a deceased person with a gift in his or her memory. Their family will be notified of your special gift and he or she will be prayed for in our spiritual development services.

Legacy Society

A gift from your estate to Angels' Place will ensure that your support of Angels' Place will continue for years to come. Donors who make a planned gift become members of our Legacy Society and receive a special pin and invitation to a special reception.

Corporate Matching Gifts

Many places of business will match employee gifts to their favorite charity. Check with your HR department or your company website to see if you qualify.

For more information, contact Cheryl Loveday or Barbara Urbiel at 248-350-2203.
