Annual Dinner Best in Class!

"What a night!" was the phrase heard most often as guests left the Angels' Place Annual Dinner held November 11 at the Hyatt Regency in Dearborn. **Paul W. Smith**, WJR radio, emceed the night after introductions from Doug Van Dagens, co chair of the annual dinner. Paul W. expressed how impressed he was that Angels' Place will provide "40 years of service", as noted in the new video launched that night. **Alan Mulally** shared great stories about Ford's success, his time in front of the Senate, and provided some humor as he answered a question during the open mic time about how long it would take someone to get their new Explorer and if he'd consider coaching the Detroit Lions!

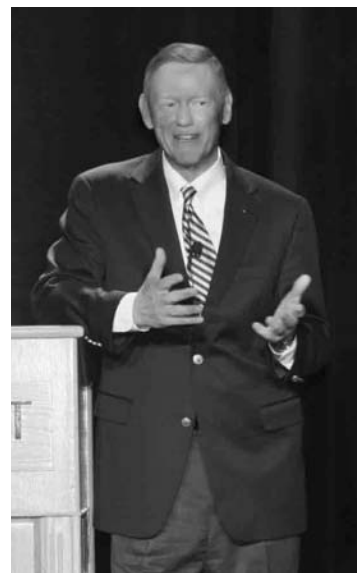

Mark Tisdell received the Touched by an Angel Award from Peter Treboldi, board chairman, for his gift coordinating a benefit concert for Angels' Place for the past 16 years raising thousands of dollars for the organization.

The evening ended with a raffle drawing for a Ford Fiesta, donated by **Doug and Gwen North** of North Brothers Ford in Westland.

Even the raffle drawing had a positive twist as **Terry Nagle Jr.**, the winner of the car, donated it back to Angels' Place to use for one of our homes.

We wish to thank Mr. Mulally, Paul W. Smith, all of the sponsors and everyone who attended the event.

It was truly a night to remember.

Alan Mulally, CEO, Chairman,
Ford Motor Company

I extend to each of you a very Happy New Year and thank you for the many blessings you bestowed on us in this past year. We never take your support for granted and every day work to insure that we steward your gifts as we provide service to those who depend on us for their daily care.

Our annual dinner was a wonderful way to end 2010. It was a very positive experience and a privilege to hear Alan Mulally speak. He was very generous with his time and provided a hopeful, positive message for all of us. Many new people attended the dinner. I invite you to call me if you would like to tour a home or want to know more about Angels' Place.

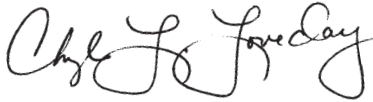

Back in 1991, when Angels' Place was just a sprig of an idea, no one could have anticipated the growth and vision as we enter our 19th year of service with 18 homes.

Over the next two years we plan on opening 2 more homes. There are many who have given of themselves in thought and deed to make sure that Angels' Place became a reality. They have fought to overcome barriers and prejudice against those who are developmentally disabled; those we serve.

In 2011, I ask you to join me in reaching out and making a difference in our community and in the lives of those we serve. Every two minutes someone is born with a developmental disability. March is designated as Developmental Disabilities Awareness Month. Please consider inviting us to your workplaces, churches and families to speak about this mission. Please consider volunteering or sponsoring a fundraiser on our behalf. Together, and most importantly with God, we can give thanks and continue to serve the persons that are thrilled to call Angels' Place home.

I wish you a good New Year.

Sincerely,

Please join us in thanking those who have ended their board term with us:

Bob Koval, Cliff Worthy, Dr. Kathleen Norton and Frank Jonna. Bob successfully chaired our Endowment Campaign and has served as board chair. Cliff is a member of our Admissions Committee. We look forward to working with Frank as he again co-chairs our annual golf and tennis event in July. We are grateful for their dedication.

Please join me in welcoming our new board members:

Patty Dugan, Rob Nagle, Doug North, Paul Lopez and Dr. Alvin Bowles.

Paul W. Smith with Alan Mulally

Residents and youth volunteers sold angel ornaments.

Mark Tisdell, 2010 Touched by an Angel Award Recipient

Hoot McInerney with Alan Mulally

Residents dress for success, learning at one of the enrichment sessions about dressing appropriately for the occasion, etiquette and how to introduce themselves when meeting a new person.

Larry demonstrates what a construction worker might wear.

Mary Beth models swimwear.

David and Michele modeling office wear.

Michelle in her chef's hat, along with other residents made all of the snacks for the fair. Residents learned about nutrition and cooking from students at UDM and other staff.

Like all of us, the residents of Angels' Place have been affected by the economy and job loss. Often the people we serve are the first ones to be laid off or let go in downsizing a company. Two years ago, we had 97% of residents in some type of employment or workshop. Today, only 65% of the residents are employed. We all know that a satisfying job brings meaning to one's life and a sense of making a difference is empowering to live a happy and fulfilled life.

Angels' Place responded to this challenge by creating an Enrichment Club where 8 to 12 individuals who are currently unemployed have the opportunity to remain active. We created staffing schedules and sought out volunteers who could provide a workshop for each day of the week. The day provides enrichment and focuses on a specific theme. The program is tailored to be very interactive and relevant to the lives of the individuals participating. While this does not diminish each person's desire to be meaningfully employed and to be earning an income, it is at least a temporary alternative to the current employment challenge. Our hope is that our residents will be ready to return to work in the community as the economy improves.

Monday – Cooking and Nutrition

Tuesday – Arts and Crafts

Wednesday – Life Services

Thursday – Arts and Crafts

Friday – Music and Current Events

Last month, residents proudly displayed their talents at an Artist's Fair for all to enjoy.

Noreen and others display their arts and crafts project. At this class, residents learned about seasons, animals and insects.

Resident's Christmas Party Kicks off the Christmas Season

"The Resident's Christmas party kicks off the Christmas season for me each year," says Tom MacLean, chair of Angels' Place Friends committee. The Friends Committee hosted the annual Christmas party for Residents, family and staff. Over 250 people attended the event held at St. Regis. We thank the Friends Committee for hosting the event and the many volunteers who worked the event from Detroit Country Day, Regina HS, DeLaSalle HS, Academy of the Sacred Heart, Brother Rice HS, Marian HS, Groves HS, Shrine Academy, UDJHS and Wayne State University.

Thank you to St. Regis for donating the use of their facilities for the annual party and Andiamo Italia for donating a portion of the food.

Angels' Place participates in Sacred Heart Seminary Formation Program

Angels' Place is privileged to be a service partner in Sacred Heart Seminary's priest formation program. In the second year of formation, students will spend a semester working with Angels' Place residents. The program was kicked off with Angels' Place Sr. Lynn Hartigan providing a workshop on disability awareness. We are grateful to the 6 seminarians who came weekly to share their skills and talents with the homes. We look forward to a long partnership.

(l-r) Sacred Heart seminarian Mario, AP resident Kevin, seminarians Brad, Brian and Formation Director Rev. Stephen Burr.

Thank you to each and every person who has shared their time to benefit Angels' Place residents, homes, events or office.

Angels' Place is enriched by the hard work, kindness and dedication of volunteers throughout the year!

Volunteers from Kelly Services Headquarters in Troy vacuumed, scrubbed, raked & polished the VanElslander Home, inside and out, prior to move in day!

Kensington Church volunteers & Middlebury ladies pose for a photo after a busy morning of raking!

UDM incoming freshmen shared part of their welcome week with the Grimpladi & Dinan Homes. Led by UDM upperclassmen, the students pruned, raked & weeded in the yards and still found time to enjoy with the Enrichment Club!

Thank you to the following foundations for providing resources to improve our homes and ability to serve.

- **Hitachi Automotive Inc.** for funding the purchase of 1 AED unit.
- **The Filmer Charitable Trust** for funding a handicap accessible ramp for our Dinan home.

Important IRA Update

Extension of tax-free distributions from IRA for charitable purposes.

The bill extends for two years the provision that permits tax free distribution to charities from an IRA, of up to \$100,000 per taxpayer, per taxable year. The bill allows individuals to make charitable transfers during January of 2011 and treat them as if made during 2010. Please consult your tax advisor for details.
