I hope this summer was a good one for you and your family. It has been a good summer at Angels' Place. We have settled into our new center and love it that so many of you have stopped by. Everyday our Enrichment room was busy with activity... arts and crafts, music, prayer, exercise. There were presentations by volunteers and outdoor water balloon tosses, bocce ball and more. It was energizing to see the number of young people who volunteered their summer spending time with us from various schools and churches.

A few of our homes were under renovation this summer as we installed ramps and walk-in showers to accommodate aging issues.

There were also miracles to celebrate. In 2010 we asked for your prayers for our resident and friend Noreen. Noreen earlier that year had been given a diagnosis of terminal brain cancer and placed on hospice care within her Angels' Place Dinan Home. Many prayers were sent God's way on her behalf.

Today we share good news and celebrate that Noreen has been discharged from hospice and is resuming some of her activities since being taken ill.

Her sister and brother-in-law, and the staff and board of Angels' Place, thank you for your kindness and prayers. It is only through this steadfast faith and the compassion of a loving team of caregivers that this miracle has occurred.

Noreen continues to live at our Dinan Home and attends our Enrichment class a few days a week. Her smile speaks volumes. We continue to keep our promise of care for life, and I share this quote again from the last days spent with Noreen's mom and dad:

"When I visited Mr. and Mrs. Martin in a nursing home a few years ago, I remember how grateful they were to have their daughter, Noreen, at Angels' Place. Mrs. Martin took my hand and said to me "promise me that you will take care of Noreen."

We know this is only possible through your prayers and support. As we celebrate our 21st year of service we hope you will join us at our Annual Dinner in December.

Enjoy the waning of these beautiful fall days.

Planned Gifts

Before the end of the year consider a gift to Angels' Place that pays you a benefit for a lifetime.

Consider a Charitable Gift Annuity

- Immediate Tax Deduction
- Payments for one or two lives
- Immediate or deferred payments
- Can benefit unrestricted field of interest

Example

\$10,000 Cash, 60 yr old, payment begins 12/31/18

Tax deduction: \$3,105

Payout for life: \$530 annually (5.3%), \$339 of which is tax free

Projected \$10,759 in lifetime payments

Upon your passing, remainder of \$10,000 goes to charity and leaves a legacy!
